

*The primary purpose of the Design Review Committee is to maintain environmental and architectural design standards for the entire Parke community.*

- *The Parke Design Review Committee is composed of all volunteer residents.*
- *We care about the Parke and work to keep it looking clean and aesthetically pleasing by assisting residents with the planning of outside projects while following the guidelines set forth by the Parke Governing Documents.*
- *We will work with you and for you through the entire process.*
- *We provide that opportunity to meet and work with your neighbors.*

*The Design Review Committee meets on the third Tuesday of the month at 9:00 am in the Card Room at the Clubhouse. Our meetings are always open to everyone and we welcome residents at every meeting.*

*We look forward to meeting you and working with you in the future.*

*Why join the Design Review Committee?*

*You care about the Parke.*

*You want to be involved in your community.*
